Dear Mr. Fontanez:

The 1995 Carnaval Miami festivities are soon approaching and we are now in the process of organizing the mailing of the invitations to the Sponsors Recognition Party at Vizcaya, the gala event held on Friday, March 10, 1995. The mailing will take place during the last week of February to all sponsors who have fully complied with our requirements such as:

1. Executed signed contract returned to us, either original or via fax.
2. Certificate of Insurance naming the Kiwanis Club of Little Havana and Kiwanis International as additional insured.
3. The payment in full of your total sponsorship fees.

In order not to delay the receipt of your invitations, we are asking you to take care of these matters right away. If you have specific instructions with the mailing of your invitations, please contact us and we will be more than happy to comply.

All sponsors who participate in Calle Ocho:Open House, will also be receiving the vehicle passes and general information at the same time.

Sincerely,

Jose L. Marban
